The Tribal Chairman may authorize a criminal history background check qualification on any applicant for a license under this Chapter.

(2) The Alcohol Beverage Hearing Officer shall determine after a hearing has been held whether and under what conditions a license shall be issued. The hearing shall be announced by notice in the Tribal newspaper. Notice shall be given no less than ten (10) days prior to such hearing. The hearing shall be conducted by the Alcohol Beverage Hearing Officer in an informal manner with rules adopted pursuant to this Chapter calculated to assure full disclosure of all relevant information. The Alcohol Beverage Hearing Officer shall hear all relevant issues and, within five (5) days after the hearing is concluded, shall issue a written decision. The decision will contain the findings of fact relied on by the Alcohol Beverage Hearing Officer for the decision as well as the decision. The findings of fact and decision shall be filed with the clerk of the Snoqualmie Tribal Court and distributed within two (2) days after such filing to the Applicant, any other person who files a notice of appearance with the Alcohol Beverage Hearing Officer before the hearing is adjourned, and the Secretary of Tribal Affairs.

(3) A decision of the Alcohol Beverage Hearing Officer may be appealed to the Snoqualmie Tribal Court by the applicant, the Tribe, or any Tribal member who has filed a notice of appearance.
Appeals shall be taken from any decision of the Alcohol Beverage Hearing Officer in the following manner:

(A) Notice of appeal. Written notice of appeal shall be given within ten (10) days after the day the written and executed decision is filed with the clerk of the Snoqualmie Tribal Court. The notice of appeal shall state all the grounds for appeal relied on by the appellant. The notice of appeal shall not be amended once it is filed. The appellee may file a short written response to the grounds for appeal within ten (10) days after the notice of appeal is filed. The notice of appeal and response shall be mailed to the opposing party on the day it is filed. If the appellant is the applicant for the license, the appellee shall in all cases be the Alcohol Beverage Hearing Officer. If the appellant is a person who filed a notice of appearance or the Tribe, the appellee shall in all cases be the applicant. In the event there is more than one notice of appeal filed, the appeals shall be consolidated by the clerk and only one response shall be filed to the consolidated appeals.

(B) Grounds for appeal. The Snoqualmie Tribal Court shall determine the appeal upon the findings of fact and decision entered in the case by the Alcohol Beverage Hearing Officer.

(C) Findings of fact. The findings of fact shall be presumed to be without reversible error. The presumption may be overcome by a sworn written statement presented to the Court at the time of the filing of the notice of appeal which establishes, on the basis of the statement, any one or more of the following grounds:

(i) That a witness ready and willing to testify at the time of the hearing on behalf of the appellant was not allowed by the Alcohol Beverage Hearing Officer to take the witness stand and testify, and such testimony would have materially altered the decision of the Alcohol Beverage Hearing Officer.

(ii) That the Alcohol Beverage Hearing Officer refused to admit documentary or other physical evidence, and such evidence would have materially altered the decision of the Alcohol Beverage Hearing Officer.

(iii) That after the hearing, the appellant discovered material evidence which, with reasonable diligence, could not have been discovered and produced at the hearing, and such evidence would have materially altered the decision of the Alcohol Beverage Hearing Officer.
In the event the Court finds the presumption is overcome pursuant to this subsection, the Court shall remand the case back to the Alcohol Beverage Hearing Officer for the limited purpose of hearing only the excluded or new evidence and any evidence presented in rebuttal to such evidence. The hearing will be held within ten (10) days after the order of the Court has been filed and served upon the appellants and appellee. At the conclusion of such remand hearing, the Alcohol Beverage Hearing Officer shall, within ten (10) days of the hearing, make and enter such amended findings of fact and decision as the Alcohol Beverage Hearing Officer determines that the evidence adduced at the remand hearing requires. If the Alcohol Beverage Hearing Officer determines that the prior findings of fact requires no amendment, the Alcohol Beverage Hearing Officer will issue a decision reaffirming its prior findings of fact and decision. The findings of fact and decision will be transmitted to the Court and such findings of fact and decision will not be subject to a separate appeal.

(iv) Decision. The Court shall determine whether the decision is supported by the findings of fact and the law. Any party to the case may request an opportunity to appear before the Court prior to its decision to give the Court such party’s view of the case. The other party or parties shall be given adequate notice of the hearing and an opportunity to present such party’s or parties’ view of the case. Such views shall be presented orally by the parties or their advocates and shall only deal with the grounds relied on by the appellant as set out in the notice of appeal. The hearing shall be limited to one hour and the time will be equally divided between the appellant and the appellee. If the Court finds that the decision is incorrect, it shall issue a new decision correctly stating the decision. Such decision shall be final and not subject to rehearing, review or appeal.

(5) Records of application, permit and proceedings. A complete record of all applications, actions taken thereon, and any licenses issued shall be maintained by the Tribe and shall be open to for public inspection at the Office of the Alcohol Beverage Control.

(g) Licenses shall be issued for a period of one year and are renewable on application to the Office of Alcohol Beverage Control, which will renew on payment of the renewal application fee and annual license fee.

(h) Licenses issued under this Chapter are nontransferable without the prior approval of the Alcohol Beverage Hearing Officer after the application process has been completed.

(i) The Office of Alcohol Beverage Control, the Snoqualmie Tribal Police Services, or the Tribal Chairman may cite a licensee to appear before the Alcohol Beverage Hearing Officer for a revocation hearing upon allegations of violations under section 6.0 hereof.
(j) Any license issued pursuant to this Chapter may be revoked or suspended after a hearing before the Alcohol Beverage Hearing Officer upon a finding that the licensee is operating the premises in violation of this Chapter or the regulations adopted pursuant to it, or the laws of the Tribe, or that the license would not have been originally issued had the facts in evidence at the time of any revocation hearing been known at the time of the application for a license.
