(b) In case of recovery, the Administrator shall enter judgment for distribution of the proceeds thereof as follows:

(1) A sum sufficient to repay the employer and/or the Administrator for the amount of the compensation actually paid to the worker under this Chapter up to that time;

employer is liable, but the sum is not the final adjudication of the future payments which the worker is entitled to receive and if the sum received by the employer is in excess of the amount required to pay the compensation, the excess shall be paid to the worker.

(3) The balance, if any, shall be paid over to the worker.

(c) For subrogation purposes, any payment made to a covered worker, his guardian, parent, next of kin, or legal representative, by or on behalf of any third party, his or its principal or agent liable for, connected with, or involved in causing an injury to such worker shall be considered as having been so paid as damages resulting from and because said injury was under circumstances creating a legal liability against said third party, whether such payment be made under a covenant not to sue, compromise settlement, denial of liability, or otherwise.

SECTION 37.0 - ASSIGNABILITY OF BENEFITS – ATTACHMENT OF LIENS

Benefits received under this Chapter are not assignable, except that a legal beneficiary may, assign the right to death benefits. The amount of the award for that disability as set forth in this Chapter may be reduced or denied in its entirety by the Administrator in consideration of the following:

(a) A prior settlement from any source for the same impairment;

(b) The difference between the degree of impairment of the worker before the covered accident and/or occupational disease and the degree of impairment after the covered accident or occupational disease; or

SECTION 40.0 - TERMINATION OF BENEFITS UPON DEATH

Where a covered worker is entitled to compensation under this Chapter for an injury sustained, and death ensues from any cause not resulting from the injury for which he was entitled to the compensation, payments of the unpaid balance for such injury shall cease and all liability for such compensation thereafter shall terminate.

SECTION 41.0 - VOCATIONAL REHABILITATION

Vocational rehabilitation benefits or training are not mandatory under this Chapter, but may, at the discretion of the Administrator, be ordered pursuant to his authority established herein, or as required under rules promulgated by the TWBAC.

SECTION 42.0 - WAITING PERIOD

An initial waiting period of seven (7) consecutive calendar days is to accrue before the covered worker shall be entitled to benefits under this Chapter. If the covered worker misses more than fourteen (14) consecutive calendar days of work, the first seven (7) calendar days may be considered for benefits if the covered worker received no other compensation during this time, including but not limited to, sick time, vacation time, and personal time off (PTO).

SECTION 43.0 - TOTAL DISABILITY AND PARTIAL DISABILITY INCOME BENEFITS

(a) When the worker is disabled from work duty as determined by the designated consulting physician, or in the Administrator’s discretion, the designated attending physician, by reason of a compensable injury or occupational disease, benefits shall be payable as follows:
(1) If the covered worker is 100% disabled, benefits are payable at 66-2/3 % of the worker’s pre-injury average weekly wage.

(2) If the covered worker is less than 100% disabled, benefits are payable at 66-2/3% of the difference between the worker’s pre-injury average weekly wage and the wage the covered worker is earning or capable of earning in his partially disabled condition.

(b) Except as provided herein, such benefits will continue to be paid in accordance with the terms of this Chapter until which time the earliest of the following occur:

(1) The expiration of three (3) months from the date of occurrence, or in the case of an occupational disease, thirty-six (36) months from the earliest of the first manifestation of the symptoms or notification from a physician that the illness is inherent or related to the worker’s occupation;

**SECTION 44.0 - IMPAIRMENT BENEFITS**

(a) At the expiration of thirty-six (36) months from the date of the incident, accident and/or occupational disease, the worker is presumed to have reached MMI regardless of disability and/or current medical status. The designated consulting physician, or in the discretion of the Administrator, the designated attending physician, is to provide an impairment rating in accordance with the most current edition of the American Medical Association (AMA) based on reasonable
medical probability. In addition, at this time the designated consulting physician, or in the discretion of the Administrator, the designated attending physician, is required to provide a treatment plan for reasonable and necessary future medical needs. The designated attending physician’s impairment rating and treatment may be subject to review and revision by the designated consulting physician at the discretion of the Administrator.

(b) For purposes of converting the impairment rating into a monetary figure only, this Chapter will mirror the Washington state award schedule for permanent partial disability.

(c) A rating may not be issued prior to the declaration of MMI. The Administrator may reserve issuance of payment under the following conditions:

(1) Contribution of prior impairment ratings;

(2) Clarification by the Administrator of this Chapter as to the validity of the date for MMI;

(3) Similar rating or MMI issues to be resolved by the designated consulting physician or, if necessary, the arbitration panel established under this Chapter.

(d) The rating recognized by the arbitration panel is binding. The rating will not be retroactively paid for weeks accrued in resolving the rating issue subsequent to the date of MMI. Such benefits will become effective the date of the ruling and commence at that time.

(e) Notwithstanding provisions herein, the Administrator shall retain the right and discretion to order lump sum settlements by way of an accepted compromise and release.

SECTION 45.0 - BENEFIT ISSUANCE PERIOD

SECTION 47.0 - BENEFIT OFFSETS

The Administrator is entitled to reduce benefits payable to covered workers under this Chapter in an amount equal to employee payments paid for by the employer for any pecuniary wages paid in the form of social security, long-term and short term disability, employer elected salary contribution, vacation or sick leave, or any other entitlement of a similar nature paid in whole or in part by the employer. Further, if any overpayment is made under this Chapter to the covered worker of any disability income benefits, the overpayment shall be deducted from any benefits payable under
functional impairment benefits; or in the case where no functional impairment benefits are payable, then the overpayment of benefits may be deducted through payroll deductions.

SECTION 48.0 - DISTRIBUTION OF DEATH BENEFITS

(a) When a covered worker dies due to a compensable injury or occupational disease, benefits shall be payable to the dependents of the covered worker who were dependent on the earnings of the worker for support at the time of his injury, compensation upon the basis of 66-2/3% of the worker’s average weekly wage, commencing from the date of death as follows:

(1) If there are no children entitled to benefits, then all of the benefits go to the surviving spouse for the projected probable life span of the decedent based on seventy (70) years of age, or the life of the surviving spouse, or until remarriage, whichever comes first, provided that upon remarriage, two years’ benefits shall be paid to the surviving spouse in a lump sum. To be an eligible “surviving spouse” under this Chapter, the surviving spouse must have been married and living with the decedent at the time of the compensable injury. Proof of eligibility may be required by the Administrator. If there are surviving eligible dependents, the surviving spouse shall be entitled to one-half of death benefits and the other half of death benefits shall be paid to each surviving eligible dependent in equal shares.

(2) If there is no surviving spouse, equal shares of the death benefit shall be paid to all dependents as defined in this Chapter.

(b) Where a worker is entitled to compensation under this Chapter for an injury, and death results from any cause not relating to or caused by the injury for which he was entitled to the compensation, payments of the unpaid balance for such injury shall cease and all liability under this Chapter thereafter shall terminate.

SECTION 49.0 - REDISTRIBUTION OF DEATH BENEFITS

(a) If a legal beneficiary as defined in section 48.0 dies or otherwise becomes ineligible for death benefits, benefits shall be redistributed to the remaining legal beneficiaries in accordance with section 48.0.

(b) If all legal beneficiaries cease to be eligible, any duty to pay the remaining death benefits payable under section 48.0 shall cease immediately.

SECTION 50.0 – VERIFICATION OF ELIGIBILITY OF DEATH BENEFITS

Upon request from the Administrator, all persons claiming to be eligible for death benefits shall furnish all necessary documentation to support their claim of eligibility.

SECTION 51.0 - BURIAL BENEFITS

SECTION 52.0 - ENTITLEMENT TO MEDICAL BENEFITS
All covered workers are entitled to reasonable health care, supplies and reasonably necessary transportation incurred for such services. Medical benefits are payable from the date the compensable injury or accident occurred and will cease effective the date the claim closes.

SECTION 53.0 - RIGHT TO SELECT PHYSICIAN; EMPLOYER SELECTION

(a) Except in an emergency, all health care must be approved or recommended by the employer or Administrator. Health care treatment must be offered promptly and be reasonably suited to treat the injury. If the worker has reason to be dissatisfied with the care offered, they should communicate the basis of such dissatisfaction to the Administrator, in writing, following which the Administrator may agree to alternate care reasonably suited to treat the injury. If the Administrator and the worker cannot agree on alternate care, TWBAC may allow and order alternate care. Any non-authorized treatment of the covered worker is not payable under this section and shall be at the worker’s sole expense.

(b) Chiropractic, osteopathic, naturopathic, acupuncture, or other non-traditional forms of treatment must be pre-approved by the Administrator and approved by the designated attending physician. Duration of treatment and/or number of visits to such non-traditional providers shall be subject to the Administrator’s approval, who may rely upon the advice of the consulting or designated attending physician.

(c) After notice and opportunity for hearing, TWBAC may issue a decision relieving the Administrator of the duty to pay for health care furnished by a health care provider or any other person selected in a manner inconsistent with the requirements of this Chapter.

SECTION 54.0 - RELEASE OF MEDICAL-RELATED INFORMATION

Any worker, employer or insurance carrier or its agents making or defending a claim for benefits under this Chapter agrees to release all information to which the worker, employer, carrier, or its agents have access to concerning the worker’s physical or mental condition relative to the claim and further waives any privilege for the release of such information. The information shall be made available to any party or the party’s representative upon request, and includes any third-party health care providers. Any institution or person releasing the information to a party or the party’s representative shall not be liable, either criminally or civilly, for any damages incurred due to the release of the information.

SECTION 55.0 - MEDICAL EXPENSES

Expenses shall be limited to those customarily charged in the community, or like community, for similar services. The Administrator may deny charges believed to be excessive or unnecessary. (a) The Administrator shall administer this Chapter in accordance with the express provisions of this Chapter. Any appeals from final decisions of the Administrator shall follow the procedures as set forth in this Chapter and shall be in accordance with any and all rules and regulations of TBWAC.

(b) First Level – Any claimant may appeal a final decision of the Administrator in writing to the TBWAC within thirty (30) calendar days of the Administrator’s final decision. TBWAC will hold a hearing with the claimant and the Administrator present, once all requested documentation from both parties is received. Any claimant appealing the final decision of the Administrator shall bear the burden of proof that the Administrator’s decision was not in accordance with, or was in violation of, this Chapter. TBWAC will conduct the hearing in accordance with their established rules and procedures and shall render a written decision resolving the dispute. The decision of TBWAC shall be final and binding on all parties except for an appeal to the Tribal Court as provided herein.

(c) Second Level – Tribal Court. Any claimant may appeal a final decision of the TBWAC to the Snoqualmie Tribal Court within thirty (30) days of the TBWAC’s final decision. The TBWAC decision shall be upheld unless the Tribal Court finds the decision was:

(1) Unsupported by evidence;

(2) Arbitrary and capricious;

(3) An abuse of discretion by the Administrator; or

(4) Contrary to the provisions of this Chapter or other applicable law.

SECTION 58.0 - HEARINGS

(a) A claimant and the Administrator shall have the right to be represented by an attorney in all matters presented before TBWAC and/or Tribal Court at their own expense. The parties shall also have the right to confront and cross-examine all witnesses and to review all evidence of any nature, as may be related to the matter under consideration.

(b) A TBWAC hearing under this Chapter shall not be governed by formal rules of evidence or by technical or formal rules of procedure. The TBWAC may conduct hearings in such a manner it deems best calculated to ascertain the substantial rights of the parties and to promote the spirit and the intent of the Tribal Workers Benefits System.

(c) A full and complete record of all TBWAC proceeding shall be kept by the TBWAC and shall be available to any party who requests the record in writing. The TBWAC is authorized to charge a reasonable fee for providing a copy of the record.

The award of attorneys’ fees to the claimant shall be in addition to any benefits paid or provided to the claimant pursuant to this Chapter.
(b) The claimant or Administrator may engage the services of physicians or experts for hearing purposes at the respective parties’ own expense, which are not reimbursable regardless of the ultimate outcome of the dispute. The opinions of such consultants will be considered in a contested case, notwithstanding the provisions of this Chapter limiting the outside or unauthorized treatment.
